

COUNCIL CHAMBERS -- CITY COUNCIL
CITY HALL -- CITY OF LODI
TUESDAY, OCTOBER 21, 1941

Pursuant to the adjournment taken from its regular meeting of October 15th, the City Council of the City of Lodi met in adjourned regular session at 8:00 o'clock P.M. at the place and on the date first above in these minutes written, Councilmen Bull, Riggs, Rinn, Weihe and Mayor Steele present, none absent.

The consideration of bids opened October 1st, 1941 being the first order of business, Councilman W.E. Riggs, Chairman of the Committee on Public Utilities, to which Committee further investigations had been referred on October 15th, reported that the Pomona Pump in well No 6 was performing satisfactorily but that, in view of the fact that the water table might be expected to fall in the next few years, he would recommend Layne & Bowler equipment as more efficient under such a condition.

Councilman Robert H. Rinn stated that he had also considered the tests made on present Pomona equipment installed at well No 6 and had heard the comments of an engineer of Pacific Gas & Electric Company on the various proposals submitted to the Council. He favored Pomona's bid as recommended by the Department which would have the operation of the pump and motor.

Resolution No. 1096, a resolution awarding the contract/For this pumping unit to Pomona Pump Company was then introduced by Councilman Weihe, Rinn second, and the same was adopted by the following vote:

AYES: Councilmen Weihe, Rinn, Bull and Steele.
NOES: Councilman Riggs.
ABSENTE Councilmen None.

A contractor's license was ordered granted to Salih Brothers on the filing of satisfactory bond as required by Ordinance No 272.

ORDINANCE NO. 276 entitled " AN ORDINANCE OF THE CITY OF LODI CREATING AND ESTABLISHING A PERSONNEL SYSTEM FOR SAID CITY " was introduced on motion of Mayor Steele, Councilman Riggs second, and, as all members of the City Council had been furnished with mimeographed copies of the ordinance, reading at length was omitted by the same motion. On a vote being had, Ordinance No. 276 was formally introduced, all Councilmen voting in favor thereof.

A call for a meeting of all persons affected by and interested in the enforcement of the Alcoholic Beverage Act to be held in Stockton High School on the evening of October 28th was received from Fred E. Stewart, Chairman of the State Board of Equalization.

The application of F. R. Smith for use of a City automobile in lieu of auto allowance was referred to the Committee on Public Utilities.

Mayor Steele reported that he had been served with a copy of the Summons and Complaint in Pacific Telegraph & Telephone Company vs City of Lodi for re-imbursement on account of a judgement sustained by that Company in Emery vs P.T. & T. Company, this claim being based on clauses contained in the Joint Pole Agreement of November 7, 1910.

At 9:34 o'clock P.M. the City Council adjourned at the order of the Mayor.

City Clerk.

The foregoing minutes of an adjourned regular meeting of the City Council of the City of Lodi held October 21, 1941 were read at a subsequent meeting of said City Council held November 5, 1941 and approved without correction.
